*OUR ALUMNI, OUR POTENTIAL*

**MISSION:**

**To provide support and service to the school through creating structures and system that encourages capacity building needed by the school**

**VISION:**

**To promote professional excellency, unity and development**

# WHAT IS OLYMPIC HIGH SCHOOL ALUMNI ASSOCIATION?

Olympic High School Alumni Association (OHSAA) is a registered initiative founded by Olympic High School graduates (Alumni) and formed in 23<sup>rd</sup> September 2018 by Olympic High School graduates of various years, who have the passion, zeal and an unending desire for giving back to the society through mentoring the young generation and especially students thus igniting their dreams and passion for a better future through self-realization and unleashing their potentials beyond every limitations.

Through the support of Olympic High school administration, we have been reaching these dreams. Our core objective is to promote the academic, physical, moral and spiritual growth of students and to help the school in the growth and development of its social-cultural and co-curriculum activities.

# OHSAA AIMS AND OBJECTIVES

- To promote the academic, physical, moral and spiritual growth of students.
- To help the school in the growth and development of its socio-cultural.
- To facilitate the establishment and development of students.
- To advocate the role of the students.
- To ensure that there is an effective student leadership in school and to help the student council balance their studies and leadership.
- To assist the school to initiate, organize and sustain programs such as;
  - The Outstanding Achievement Award.
  - Symposium.
  - Co-curriculum Activity.
- To project a positive image of Olympic High School.
- To act as an independent body in promoting the development of the Association, advancing the interest and promoting the welfare of its members.

A scenic landscape featuring a large, bright yellow sun positioned centrally in the upper half of the frame. The sun is partially obscured by thin, wispy clouds. Below the sun, a range of dark, silhouetted mountains stretches across the horizon. In the foreground, a body of water reflects the warm, orange and yellow light from the sun, creating a shimmering effect. The overall color palette is dominated by warm tones of orange, yellow, and dark grey.
